Your children must be supervised at all times. Disregard for campground rules by minor children will result in immediate eviction without notice or refund.

**MOWING:** The grass is mowed and edged once a week in the spring and summer months and as needed in the winter months. While we make every effort to prevent damage to units, we are not responsible for damage to your RV, vehicles, golf carts or other property including your sewer line. If you have an approved fenced area for your pets, you are required to mow and edge that area as needed.

**WATER:** We are on a water conservation program - year round - do not waste water.

**PRIVACY:** Please respect the privacy of other campers by not walking between or through occupied sites. Use designated roads and pathways when walking.

**Anyone exhibiting behavior that does not promote family values, such as excessive drinking, swearing, fighting or any other illegal activity will be removed from the campground. Violence or the threat of violence will not be tolerated. Display or discharge of any weapon on the campground will result in immediate eviction without refund.**
